Official laboratory test results are pending. Do not use for specification or purchasing decisions.

Technical Data Sheet: SI-GCC-5

Ground Calcium Carbonate (CaCO3)

Product information

Product grade	SI-GCC-5
Chemical name	Ground Calcium Carbonate (CaCO3)
CAS number	471-34-1
Particle size	Micron 5
Whiteness	95%+
Typical applications	Masterbatch, high-grade paints and coatings
Packaging	25 kg net-weight woven bags (sold in quintals)
Minimum order	200 quintals
Terms	Ex-Works Dukem (without transportation)

Laboratory test results

CaCO3 content (%)	*Pending official test report*
Particle size distribution (D50 / D97)	*Pending official test report*
Moisture (%)	*Pending official test report*
Oil absorption (g/100g)	*Pending official test report*
Residue on sieve (%)	*Pending official test report*
pH	*Pending official test report*
